Hey Bob!

I wanted to take a moment to shoot you a quick note of thanks for helping make our holiday party fun for everyone. I was sweating the entertainment – you know how hard it is to please people. Your patience leading up to the event was extraordinary, and the true sign of a pro.

Everyone loved your show, and we all really appreciated the way you incorporated “us” into your comedy.

We’d recommend you to anyone – best of luck!

A handwritten signature in black ink that reads "Meredith Hayes". The signature is fluid and cursive, with a long horizontal line extending from the end of the name.
